

GOAL: PRESERVE THE WEALTH & LEGACY YOU'VE BUILT

THE EXIT DILEMMA

Complexity beyond the P&L

Business owners often face **The Exit Dilemma**, where a lifetime of work is at risk due to tax erosion and a lack of liquidity.

Many struggle to calculate their “wealth gap” — the exact number needed net-of-taxes to fund their next chapter.

From enterprise value to lasting freedom

We've helped business owners save thousands in capital gains taxes by strategically gifting company units to a donor-advised fund prior to sale.

Others have been able to retire sooner by strategically leveraging 401(k) contributions and cash-balance plans.
